

Can I afford the cost of the weekend?

Absolutely YES! The weekend is FREE! It is a gift from the presenting team. No one in attendance is ever solicited for funds.

Will I be required to get up and talk in front of people?

No one is required to get up and speak. No pressure will be applied even if others do decide to speak. You will not be required to speak publicly.

What about talks in front of others?

The talks are given by team members, NOT the participants. You may share your conversations or thoughts (as much or as little as you choose) in a small group with other participants.

What about the weekend after mine?

The uniqueness of the Christ Renews His Parish renewal program is its continuation. Participants are usually so inspired and moved, so renewed and uplifted, that they are anxious to share their faith and experience with others in the parish. However, attending the weekend is NOT a commitment to continue.

Participants have the opportunity to begin planning the next men's or women's weekends soon after they complete their own. They become the new team. During formation time, even greater spiritual growth occurs.

AFFIRMING GOD'S LOVE

Gracious and Loving God,

We, your people of Nativity, are ever grateful for the gift of your love that is always around us and within us.

As we move through this year of grace, may we continually affirm your love that is made real for us through your Son, Jesus. We pray that your Holy Spirit will guide us in all that we do.

May our hearts always be filled with gratitude;
May we affirm your love in each other;
May we respect all people as brothers and sisters;
May we generously share your love with others.

And may all that we do strengthen us as the community of Nativity.

This we pray through Christ, our Lord. Amen
