

# **Nativity Catholic School**

## **Goals: 2010 - 2015**

### **Catholic Identity**

Nativity will maintain a strong Christ-centered environment which incorporates Catholic teachings, liturgies, practices, traditions and service opportunities.

### **Ownership, Governance, Administration**

Nativity will grow involvement of volunteers in the governance structure while communicating clearly defined roles for the administration and commission along with facilitating the collaboration of the commission and its' committees.

### **Enrollment**

Nativity will be the school of choice for Nativity parishioners when making enrollment decisions through improved and effective recruitment, admissions, retention processes and meeting enrollment goals.

### **Curriculum**

Nativity will strive to develop the God given gifts of each child through differentiated learning, consistent with the mission and vision of the school.

### **Technology**

Nativity will continue to develop a five year comprehensive plan for the school and parish.

### **Staffing**

Nativity will recruit, hire and retain highly qualified staff, who will be inspired by and committed to the mission and vision of the school.

### **Finances**

Nativity will develop a five year financial plan that will fund the strategic plan goals and provide financial assistance to school families.

### **Facilities**

Nativity will develop a long term plan for regular building maintenance projects and future space utilization issues.

### **Development, Public Relations**

Nativity will prepare and implement a comprehensive development program that addresses communications & marketing, alumni, parent & parish participation and annual giving & fundraising coordination.

### **School in the Community**

Nativity will continue and expand community service programs and better publicize those activities to the community at large.
