“We are the Church, a community of broken disciples striving to do better. However, we are also a community of faith-filled disciples who pray for, nurture, and support one another during life’s ups and downs. You are important, missed, and part of our Catholic faith community. Please consider coming home to your faith at Nativity Church.”

One's spiritual journey is never always easy nor is it perfect. The journey of faith can oftentimes take many twists and

turns.

As a Catholic priest for 36 years, I have had the privilege of sharing this spiritual journey with many Catholic men and women. Having the opportunity to share one's faith journey, to find an environment that is conducive to learning more about one's Catholic faith, to have the occasion to re-discover the richness of the liturgy, prayer, and sacraments of the Catholic Church, is part of the wonderful experience of one's spiritual journey.

The Catholic Church, through parishes like Nativity, is a welcoming and compassionate community that looks forward to helping Catholics return to their faith.

Please know that you are very welcome to be with us on February 12 & 19 for our *“Returning Home To Your Catholic Faith”* program.

If you would like to set up a personal meeting to talk about your questions or concerns, you are welcome to contact me (frpat@nativityindy.org).
